

EHRP Alert #12 Wage Grade--Hourly Rate for WGI Process/Salary Tables

**Wage Grade Employees:
Hourly Rate for WGI Process
Salary Tables**

The following modifications have been made to the EHRP system related to Wage Grade (WG) employees:

1. The Within-Grade Increase (WGI) process for WG employees has been updated to ensure the hourly rate is calculated properly. **The hourly rate will now be calculated by dividing their FEGLI Base by 2080** rather than 2087, which is used to calculate GS employees.
2. The following WG salary tables have been updated:

WT
017R
092R
